MetroQuest

Strava for Metro

Pune, one station at a time

Working prototype / October 2026

The commuter problem

The route repeats.
Progress is hard to see.

Our hypothesis to test in Pune

Visible progress and friendly competition can make a repeated journey more rewarding.

The MetroQuest loop

01

Log a ride

PCMC → Civil Court

02

Collect stops

Board and exit station stamps

03

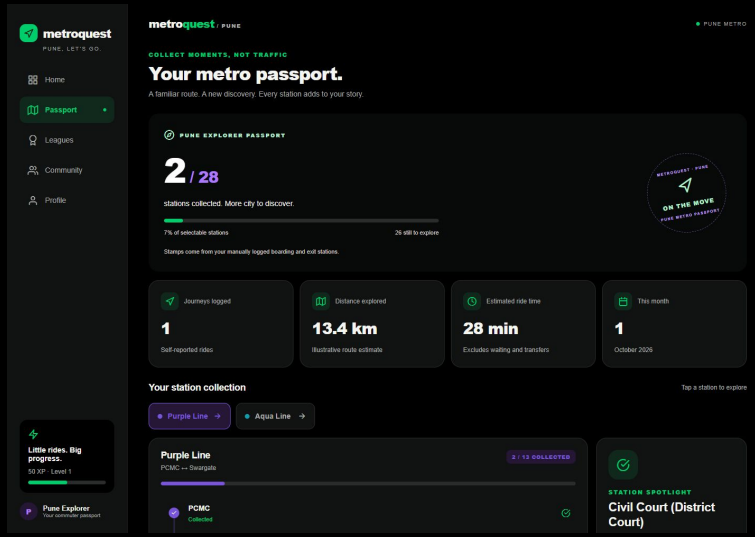

Earn XP

50 XP for the first demo ride

04

Find your line

Local posts and reactions

Your metro passport

Manual logs / Local persistence / Sample leagues and profiles

A working product, today

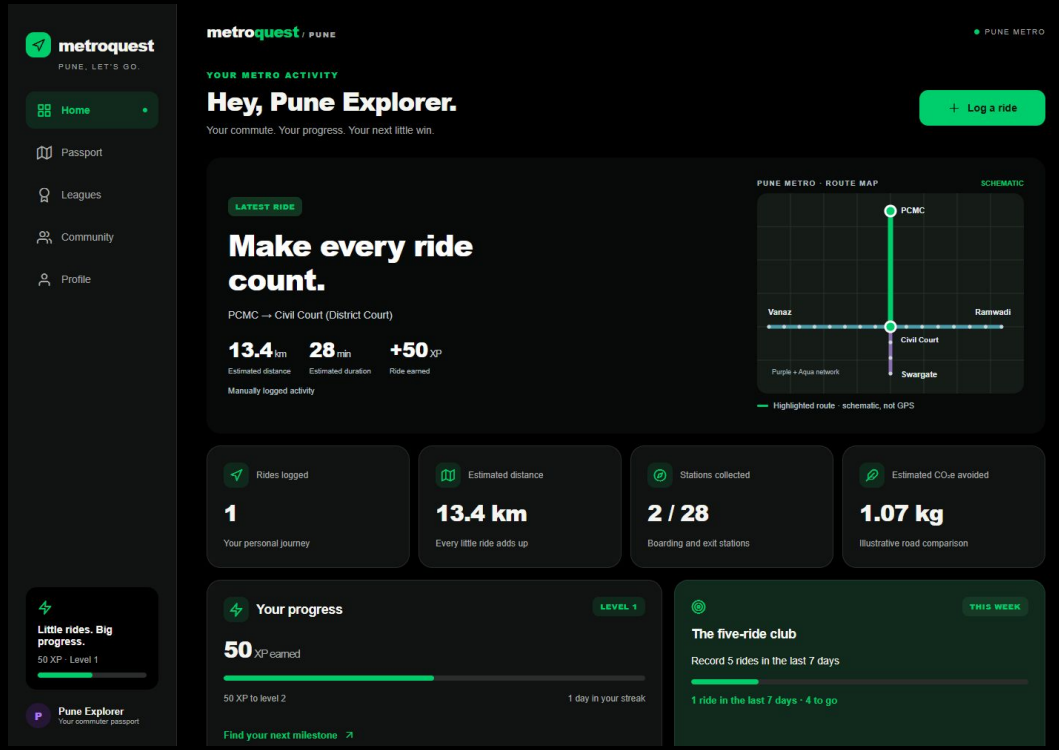

One Expo app

Web + Android demo

24 tests passing

iOS bundle exports;
iOS runtime not tested.

Try the live app →

Prototype: manual rides, local data, simulated social ranks.

Start with a Pune pilot

PROPOSED LAUNCH

Campus and office commuters on Purple and Aqua routes

Test repeat logging and community participation.

Ideas to validate through a Pune pilot.

Possible revenue

Employer commute challenges

Optional premium passport

Try one ride.
Help shape the pilot.
